Subject: IMMEDIATE ATTENTION REQUESTED: MURRAYFIELD COMMUNITY COUNCIL

Pete: John Yellowlees's email is currently down. He has asked me as Vice-Chair to send you this email letter today. Jim Forbes,

Dear Pete

Paragraph 3.4 of the Edinburgh Community Councils Scheme states of members that "you should not act in such a way as to bring yourself or the community council into disrepute through your actions, discussion or communications".

The following is among items that have been brought to MCC's attention :

Pro-Palestinian activist Pete Gregson saying "Hamas are in the right" to kill Israelis. He berates the civilians for not surrendering and says they had to "accept the consequences". I must admit this gave a bone-deep chill. He has now been reported to counter terror.

It is with great regret that I have to conclude that by your support for a terrorist organisation you are at risk of bringing MCC into disrepute.

I have therefore no alternative but to request your resignation from the Community Council. If that is not forthcoming, it will be necessary to invoke the Community Councillor Complaints Procedure.

I look forward to hearing from you.

Yours sincerely,

John Yellowlees

Chair, Murrayfield Community Council
